Dear Sirs:

I am submitting this letter of appeal to your department as I have previously appealed to the SLD and was my request was denied. I am not satisfied with the decision to deny nor the basis for the decision.

I received a Letter of Acknowledgment written on February 12, 2002, which referred to only one of two FRN's that are listed on the Dickey LaMoure Form 471 Application # 317023 of which I enclosed a hard copy. In the past we have had two FRN's listed on our Form 471, same as we do for Year 5, even listing the same two FRN's every year. I therefore appealed through SLD, and received a denial. This has led me to a second appeal through your department (FCC).

I was told in my letter of denial by the SLD that there was an incomplete application filed (which must have done by mistake). The incomplete application has the application number 315266. The missing FRN did not refer to this form. My letter of appeal which was written to the SLD referred to Application # 317023 as I was unaware of an "incomplete application form" having been filed. There is a hard copy of this application enclosed. If the hard copy is reviewed, you will see that both FRN's are listed on this application, yet the response to my appeal was that the second FRN is being denied. For the following reasons, I am requesting another appeal:

1. I was unaware of an incomplete application having been filed (315266).

No. of Copies rec'd 0
List ABCDE

No. of Copies rec'd
List ABCDE

2. Past year's applications for Dickey LaMoure Special Education Unit included the same two FRN's which have previously been approved.
3. The hard copy of Application 317023 is enclosed and does have information in Block 5 referring to both FRN's.

On the basis of the above reasons, I am therefore requesting an appeal from your department.

Sincerely,

A handwritten signature in cursive script that reads "Rhoda Young". The signature is written in black ink and is positioned above the printed name.

Administrator's Decision on Appeal - Funding Year 2002-2003

Re: Billed Entity Number: 134491
471 Application Number: 317023
Funding Request Number(s): Missing FRN - US Link
Your Correspondence Dated: March 7, 2002

After thorough review and investigation of all relevant facts, the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company ("USAC") has made its decision in regard to your appeal of SLD's Year Five Funding Commitment Decision for the Application Number indicated above. This letter explains the basis of SLD's decision. The date of this letter begins the 60-day time period for appealing this decision to the Federal Communications Commission ("FCC"). If your letter of appeal included more than one Application Number, please note that for each application for which an appeal is submitted, a separate letter is sent.

Funding Request Number: Missing FRN - US Link
Decision on Appeal: Denied in full
Explanation:

- Your appeal letter stated that a RAL was received on Feb 12, 2002, which referred to only one FRN instead of two FRNs. You have not received any letter informing you that the second FRN has not passed the MPS. You completed the form electronically, thus you sent a hard copy of the form along with a letter of appeal.
- SLD records show that you had actually filed two Form 471s. Application Number 315266 is in an "Incomplete" data entry status, while Application 317023 is in a "Complete" data entry status. If the missing FRN was referred to the "Incomplete" application, the form is to be rejected for failing to meet the minimum processing standards since the form was never successfully completed in the system by the deadline of January 17, 2002. Forms that do not meet the minimum processing standards are not considered for funding. If the missing FRN was referred to the

"Complete" application, since the funding request of US Link was not included in the original submission. Appeal is therefore denied.

- Your appeal requests additional funds that were not shown in either Form 471 Application Number 315266 or Application Number 317023, in regard to which you are appealing SLD's funding decision. FCC rules require that funding requests be made on Forms 471. See 47 C.F.R. § 54.504. Funding requests may not be made on appeals of SLD funding commitment decisions. Whether your request can be considered for funding will depend on the date your Form 471 is received and, if it is received after the close of the filing window, whether funds are available. See 47 C.F.R. § 54.507(g). Consequently, SLD denies your appeal insofar as it requests funding not requested in the Form 471, which forms the basis of this appeal.

If you believe there is a basis for further examination of your application, you may file an appeal with the Federal Communications Commission (FCC) via United States Postal Service: FCC, Office of the Secretary, 445-12th Street SW, Washington, DC 20554. If you are submitting your appeal to the FCC by other than United States Postal Service, check the SLD web site for more information. Please reference CC Docket Nos. 96-45 and 97-21 on the first page of your appeal. **The FCC must RECEIVE your appeal WITHIN 60 DAYS OF THE ABOVE DATE ON THIS LETTER for your appeal to be filed in a timely fashion.** Further information and new options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD web site, www.sl.universalservice.org.

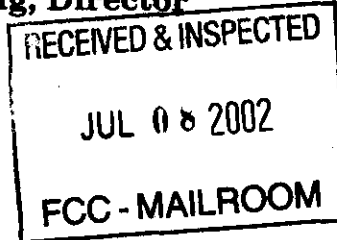

We thank you for your continued support, patience, and cooperation during the appeal process.

Dear Sirs:

I am requesting an appeal in regard to the Dickey LaMoure Special Education Unit 471 Application, Year 5.

I received a Letter of Acknowledgment written on February 12, 2002. The letter referred to only one FRN instead of two FRNs. I have not received any letter informing me that the second FRN has not passed minimum processing standards. I sent a letter of response to the correspondence unit in New Jersey and received a call back. I completed my form electronically, thus I was advised to send a hard copy of the form along with a letter of appeal. The FRN that is missing is US Link, our long distance provider.

I would appreciate attention to this matter. If there is any more information I need to provide, I will wait for you to advise me.

Sincerely,

Re: Form 471 Application Number: 314023
Funding Year: 07/01/2002 - 06/30/2003
Applicant's Form Identifier: 11602
Billed Entry Number: 134491

NOTICE: This notification is an acknowledgment of RECEIPT and SUCCESSFUL DATA ENTRY of your Form 471 Services Ordered and Certification Form reflecting \$864.00 in total program eligible discount costs for services. This letter confirms that the Form 471 and signed Form 471 Certification have been received.

This letter does NOT contain any decisions concerning your requests for discounts. Note, however, the three-week response deadline described below.

Please keep this letter for your records. The Form 471 application number cited above is critical for you to link your application to future Schools and Libraries Division (SLD) communications.

Please be advised that the last of your Form 471 application materials identified above was postmarked or received by the SLD on 01/16/2002 and successfully entered into our data system. SLD's Program Integrity Assurance (PIA) Team will now review your application for compliance with program rules. Once the review of your application has been completed, you will receive a Funding Commitment Decision Letter(s) to inform you of the disposition of your application. Until you receive a Funding Commitment Decision Letter from the SLD, you cannot assure that you will receive the discounts for which you are applying.

Your application will be considered within the application filing window wherein all applications that meet the Minimum Processing Standards are treated as though they were received on the same day.

HOW TO USE THIS 471 RECEIPT ACKNOWLEDGEMENT LETTER TO CORRECT INFORMATION ON YOUR FORM 471 (ACT WITHIN 3 WEEKS!)

If you find data entry errors on this letter, or you previously identified errors on your Form 471, these can be corrected using this Form 471 Receipt Acknowledgment Letter. Examples of the errors that can be corrected are:

- * Block 1 information (such as contact person or street address);
- * Reductions to Block 5 Funding Requests (Reductions to Block 5 Funding Requests are allowable except for those that would increase your discount percentage due to a change in recipients of that Block 5 service);
- * Correction of an incorrect SPIN because of a data entry error or because the company has merged with or been acquired by another company (Requests to change service providers for other reasons cannot be accommodated through the Receipt Acknowledgment Process);

If on your Form 471 you incorrectly combined or "bundled" into one Funding Request Number (ERN) two or more services from different service providers (for example, local phone service from one company and long distance service from another) or from different eligible service categories (such as internal connections and Internet access), you may request us to "split" or "unbundle" the ERN.

NOTE: The total dollar amount represented by the newly divided ERN must not exceed the amount you requested for the original combined ERN. On the photocopy of your Receipt Acknowledgment Letter, cross out the original bundled ERN; then write in the SPIN, Service Provider Name, Services Ordered category, Total Program Year Pre-Discount \$ Amount, and Discount for each distinct service you have now "unbundled," making sure that the total dollars requested add up to no more than the ORIGINAL request.

To notify us of the allowable corrections you wish to make, please note that the SLD must receive these corrections within 3 weeks of the date of this letter. Follow these simple steps to make corrections:

1. Photocopy your Receipt Acknowledgment Letter.
2. Draw a line through each incorrect item, and mark clearly next to it what the correct information should be.
3. Please write the name of the contact person and telephone number on the first page of the RAL copy that will be sent to the SLD so that we can contact you if we have questions about your request changes.
4. Make a photocopy of your marked-up letter to keep for your files.
5. Send your marked-up letter to arrive within three weeks of the date of this Form 471 Receipt Acknowledgment Letter. You may use any of the following methods: Schools and Libraries Division, Box 125, Correctional Center, 80 South Jefferson Road, Whippany, NJ 07981. (Please enclose mail.) We recommend that you send your marked-up letter via certified mail (with another piece of delivery mail that will provide you with proof of delivery). Alternatively, you may fax your marked-up letter within three weeks of the date of this Form 471 Receipt Acknowledgment Letter. Please fax your marked-up letter with a letter cover page to the SLD, Attention: Fax # (973) 884-8217, and indicate the number of pages you are faxing. When faxing, save your confirmation page from sending the fax as your receipt of completed transmission.
6. Allowable corrections received in a timely fashion will be reflected in your Funding Commitment Decision Letter. We will not make corrections that do not fall into the categories defined as allowable corrections above. Please note: the SLD will not advise you that we have received your change request.
7. Please notify your service provider of any corrections to the Receipt Acknowledgment Letter that you submit to the SLD. Your service provider has also received a copy of the original Form 471 RAL letter. This correction will help your service provider keep your records updated.

EXPLANATION OF LINE ITEM INFORMATION

Certain information from each Block 5 of Form 471 Application Number 317023 that passed Minimum Processing Standards and that could be entered into our data system is shown below. There are some certain components of information shown for each Block 5:

1. ERN (Funding Request Number): The ERN is the Funding Request Number that the SLD assigned to each Block 5 funding request that is entered into our data system. This number will be cited in relation to the SLD's funding decision contained in the Funding Commitment Decision Letter. The ERN information will also be shared with service providers so that they can provide discounted bills and invoice the SLD for the approved discount amount.
2. SPIN (Service Provider Identification Number): This is the Service Provider Identification Number that you provided. This is a unique identification number assigned to each service provider.
3. Service Provider Name: This is the legal name in our database that is associated with the Service Provider Identification Number that you provided.
4. Category of Service: This is the type of service for which you have requested discounts from Block 5. Even though the categories of services are Telecommunications Services (Tele. Svc.), Internet Access (Intr. Acc.), Internal Connections (Intr. Con.), Pre-Discount Dollar Amount: This is the total annual pre-discount cost for each ERN. This amount is taken from Block 5, Item 23, Column 1.
5. Discount Percentage: This is the discount percentage from Block 5, Item 23, Column 2.

MISSING ERNs

If information about a particular ERN is not included in the itemized list of Block 5 ERNs set forth above, this is because the ERN did not pass Minimum Processing Standards. If this is the case, you will receive a separate letter from the SLD informing you that

these ERNs have been rejected, with an explanation of the reason for rejection. If you believe that there were ERNs included in your Form 471 which are not listed in this letter AND you have not received a letter informing you that those ERNs are rejected, please write to us at the address listed at the bottom of this letter. See also "QUESTIONS ABOUT THIS LETTER" below.

Please note that the SED Client Service Bureau may not have the information necessary to respond to your inquiry; therefore, your letter should be sent to the New Jersey address featured below.

FUTURE CONTACTS WITH PIA

It may be important for us to contact you as our PIA (Program Integrity Assurance) Team reviews the funding requests contained in your Form 471. Our requests for clarification and/or additional documentation will require a prompt response. The due date for such responses will be established at the time that the PIA Team may contact you. Please make sure that the contact person on your application is available to speak with the PIA Team or that a surrogate is available. In addition, you should monitor on a daily basis the fax and e-mail locations that you may have cited in your Form 471 for the applicant and for the contact person for the applicant.

COMMUNICATIONS WITH YOUR SERVICE PROVIDERS

The SED is also sharing this ERN information with service providers whose SPIDs are listed on Form 471 applications. This information is provided so that service providers can undertake the preparatory steps of identifying their potential customers for whom discounts may be issued. NO DISCOUNTS will be provided until after:

- the SED issues the Funding Commitment Decision Letter for a particular application; AND
- technology plans, if applicable, have been approved; AND
- the applicant submits a Form 486 with a valid service start date.

The SED encourages Form 471 applicants to contact their service providers to inform the service providers of the funding requests submitted to the SED. Service providers may request additional information concerning the specific services contained within each funding request in order to facilitate discounted billing. Applicants are encouraged to share this information with service providers in order for the service providers to begin the preparatory billing steps.

QUESTIONS ABOUT THIS LETTER

If you have any questions regarding the above information, please write to us at SED, Box 125-Correspondence Unit, 89 South Jefferson Road, Whippany, NJ 07981.
